

# OUR GUARANTEE

Our goal is to make you happy with every single NIKU Farms delivery. If you are not happy with anything in your box, please email us and we will do what we can to fix the issue.

## ENVIRONMENTALLY FRIENDLY PACKAGING

**Biodegradable Liners:** Tear the clear film and remove the foam liners. You can biodegrade the liners in any compost pile, or simply dissolve them down your sink. Recycle the outside film.

**Biodegradable Gel Packs:** Either re-use, or thaw and empty the biodegradable gel into the toilet. Recycle the bag.

**Corrugated Box:** Break down and recycle.

## NOT FULLY FROZEN?

Has your meat started to defrost? No need to worry! As long as it is still very cold to the touch, it is completely safe to put into your freezer or fridge. Contact us if you are not sure, and we can help you out.
