

Marita Fields

Pastured Meats

Located in Dundalk, Ontario

Marita Fields is a local farm in Grey County close to Dundalk Ontario. Owned and managed by Marlin & Rita Martin and a family of six children. Marlin & Rita both were raised on commercial feedlot and hog farms. They wanted something different for their own family. Less heavy metal equipment, and less big concrete barns. They let the animals harvest the grass, making hay with surplus and stockpiling for winter use. As the name implies, they are all about the fields. Fields of grass with cattle grazing, chickens on grass, and geese foraging in grass paddocks. Turkeys strutting, wiltshire horned sheep in meadows, dutch harness horses and hackney ponies prancing in lush pastures. They love what they are doing, and you will love the results.

Raised on Pasture

100% Grass Fed

Antibiotic Free

Hormone Free

Non GMO
